## TO THE TRADE:

Due to our having sold our entire stock of ornamental plants, we will have only fruit trees and small fruit plants to offer to the trade. We really do have beautiful blocks of the stock shown on this list, and we invite your careful attention to the good values we offer. Henceforth we will produce fruit trees and small fruits in greater quantities than ever before, and will give our undivided attention to this line. Having no other lines to demand our attention, we will be in better position to serve you acceptably on fruits, and we welcome your orders for any stock quoted below, with the assurance that your orders will be carefully filled, and highly appreciated.

**Terms:** 2 per cent discount for cash within 10 days from date of invoice, 1 per cent 30 days, net 60 days to parties who have credit standing with us. To others, cash, unless satisfactory references are furnished. Orders for C. O. D. shipment should be accompanied with deposit of one-fourth of amount of order.

Boxing and packing will be charged for at estimated actual cost.

*Nothing but fruit trees and small fruit plants. But we keep abreast of the times with the new and improved varieties, and we keep our varieties true.*

*These features merit your consideration.*
